

# Roots Program

Roots is our midweek group for Young workers & Students. We meet centrally at St Silas on **Wednesday and Thursday Evenings at 7:30pm**. We normally start off the evening chatting over team and coffee, then we will break up into table groups for a study on a passage of the Bible. We normally end off by praying for one another in our table groups. We are all done by 9:15pm.

This year we will be looking at the **first 12 chapters of Genesis, Joel, Philippians and the last chapters in Revelation**. Roots Plus sessions, Sundays at 5pm, are in bold.

## September
